

Nature Outings

Please reserve: 514-398-7811
 Visit www.morganarboretum.org
 for complete up-to-date info

Saturday, May 10, 9:00 - 13:00

Walk for Wildlife

All are welcome on this guided walk around the Centre Road. Several environmental groups will be on site to explain their interests and activities.

Saturday, April 26, 9:00 - 12:00

Birding Basics

Have you always wanted to know more about birds and be able to identify them but don't know where to start? Let us introduce you to this best of all pastimes and inform you about what it takes to be a better birder.

Saturday, May 17, 8:00 - 11:00

Spring Migration Walk

Search far and wide for as many spring migrants as possible. Learn about their natural history and discover the diversity of bird life here at the Morgan Arboretum.

Sunday, April 27, 13:00 - 14:30

Spring Flower Walk

A seasonal visit to the spring forest to learn fascinating facts about flowering plants and how these beautiful creations have evolved over time.

Sunday, August 17, 10:00 - 12:00

Webs of Deceit: Our Spiders

Spiders are among the most misunderstood creatures on earth. Come learn about some of the common types, their incredible parental instincts and their importance in the web of life.

Spring Spruce Up Day

Saturday, May 3, from 9:00 to 13:00

The Friends of the Morgan Arboretum (FMA) Committee invites interested volunteers to help them with spring clean-up and light maintenance jobs. This is a good opportunity to meet and share ideas with the Committee and fellow members. Lunch will be served.

Please pre-register by April 25
